WORK HISTORY

Graphic/Multimedia Designer

High Caliber Solutions, New York, NY

1996-2008

11 years creating websites serving Cold Fusion pages with database management, HTML, and CSS. Clients include Fortune 500 companies and not-for-profit organizations. Projects include the creation of interactive software training demos, including the voiceover narrations for eServe from JP Morgan Chase.

Cold Fusion Web Designer/Programmer

Videotex, Inc., New York, NY

1995-2008

13 years as a contracted web designer and Cold Fusion programmer for Videotex, Inc.'s web clients. Sites are created for The Manhattan Chamber of Commerce, The Film Foundation for the Preservation of Films, New Hyde Park, and numerous Fire Island Property and Resort clients.

Multimedia Designer/Producer

Micro Interactive, Inc., New York, NY

1993-1996

Produced and designed multimedia CDs for Fortune 500 companies including work on the preloaded, onboard introduction to IBM's new ThinkPad Brand PCs, mail-away discs for British Airways, Konica, and the MGM James Bond Dossier CD Encyclopedia.

Multimedia Designer/Producer

Chase Manhattan Bank, New York, NY

May 1986 - February 1993

Produced and designed multimedia CDs for Chase's proprietary financial software products.

EDUCATION

Graduate
